### GROCERS' NOTICE.

In accordance with our desire to give our customers the best possible service at the lowest prices, we have decided to discontinue the practice of allowing a discount of 5 per cent. on retail monthly bills, and therefore give notice that on and after the 1st of November, 1904, no discount whatsoever will be allowed on any groceries sold in our stores. All groceries will be sold at net prices, on a basis of spot cash or thirty days' settlement, and there will be no exception made to this rule. Purchases made in our retail departments up to the 1st of November will, of course, be subject to the 5 per cent. discount as heretofore.

The discount question has frequently been the cause of disputes and dissatisfaction and we believe this arrangement will improve our relations with our patrons, while it will at the same time enable us to more adequately meet the keen competition prevailing in our line of business, and to give our customers the benefit of the lowest prices.
